

THE GOLDEN RULES

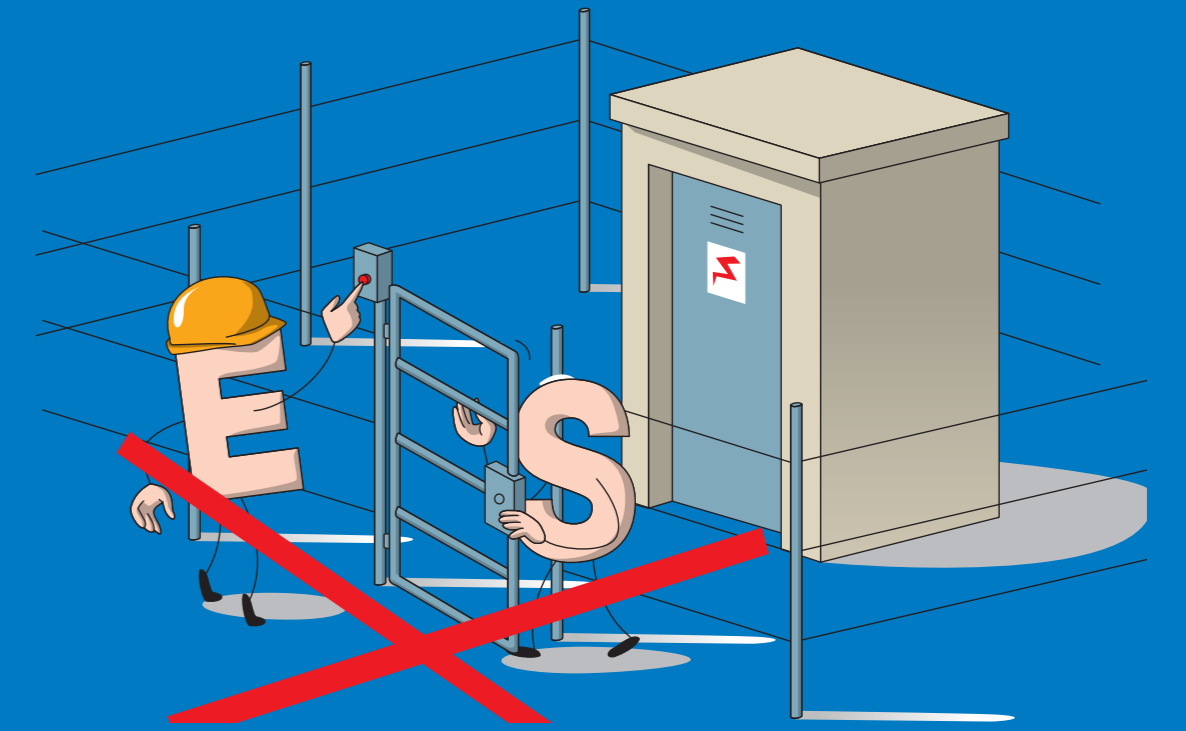

1 Managers or Supervisors must not accept any breach of safety or environmental standards.

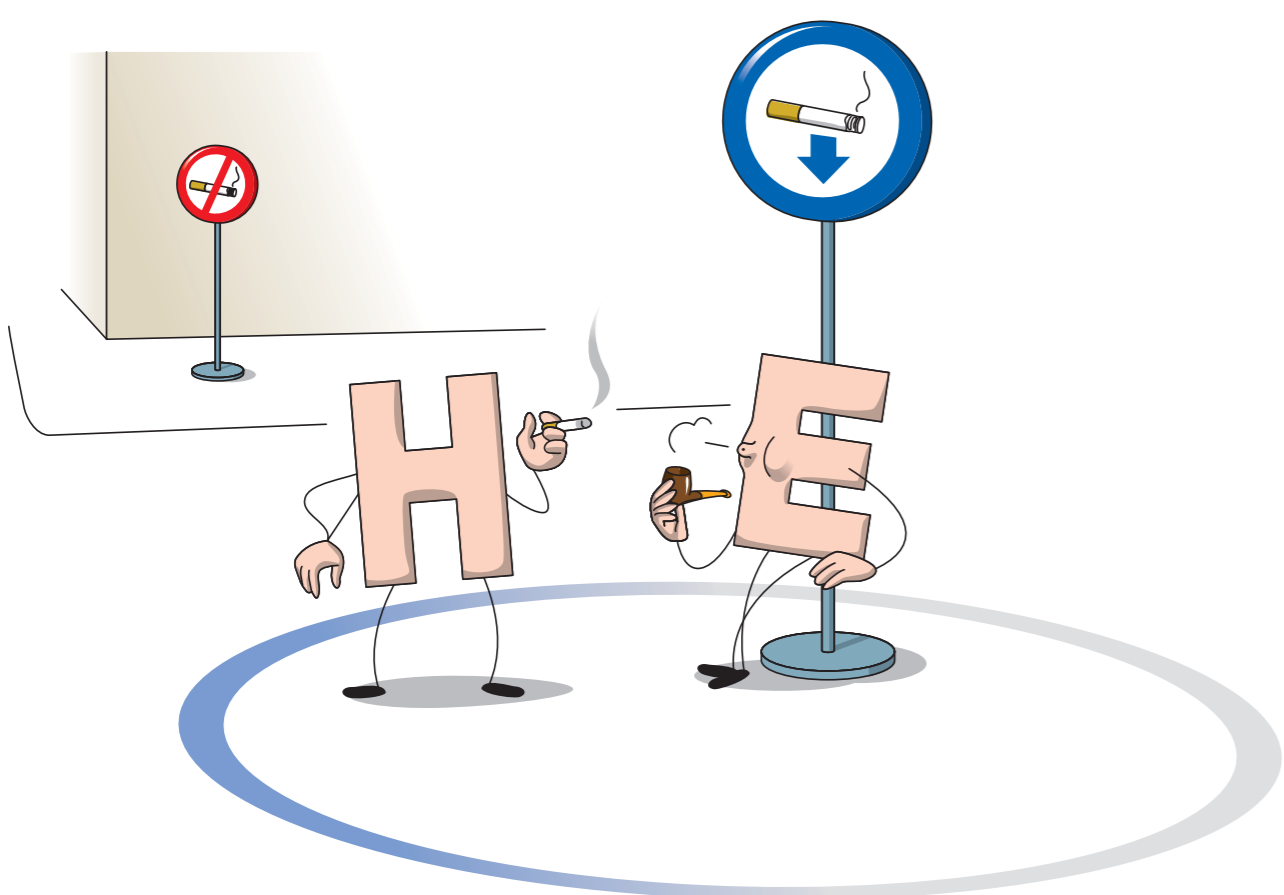

2 Only authorised isolation (LOTO) systems must be used.

3 Defeating a safety or environmental interlock is not permitted (unless authorised by a Permit to Work).

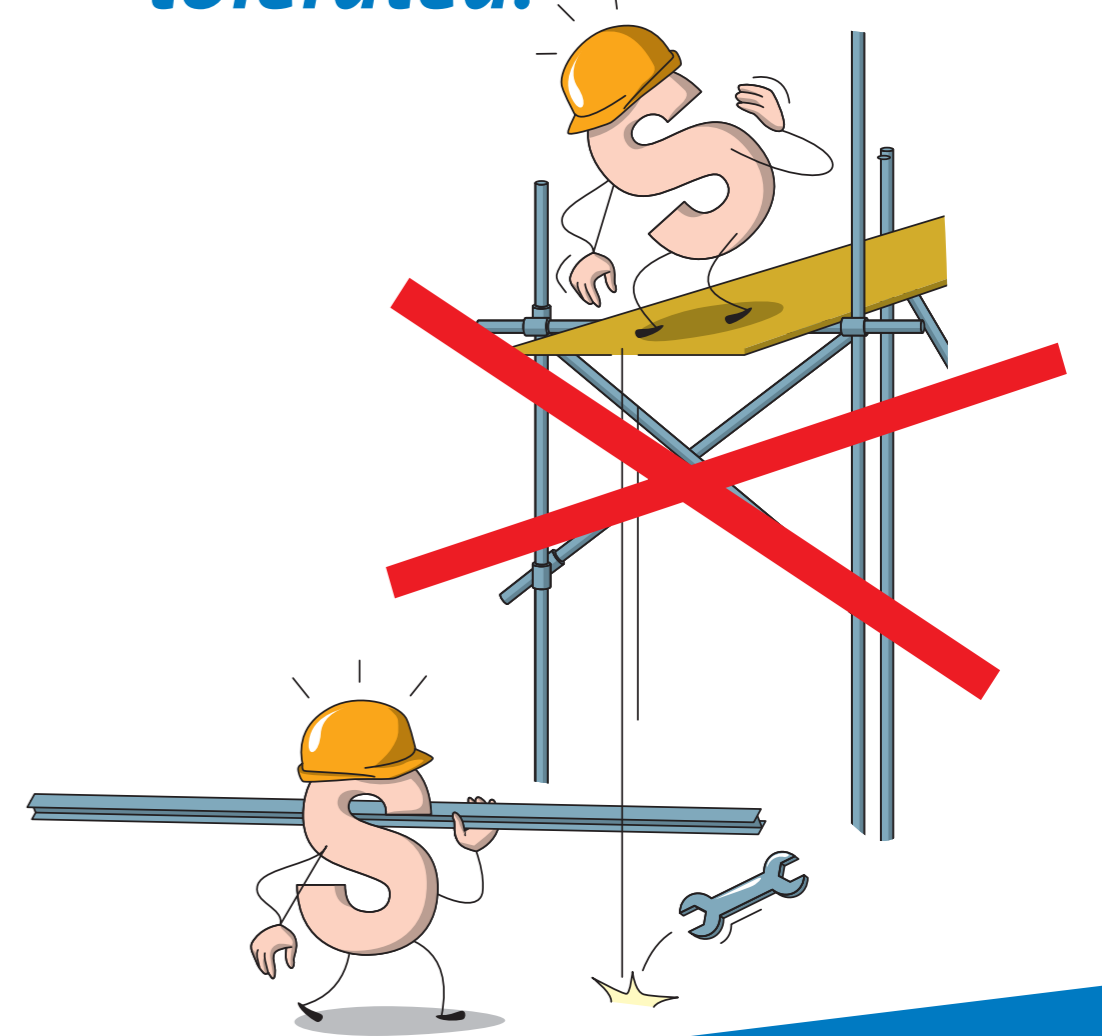

4 Smoking is forbidden except in designated areas.

5 A Permit to Work must always be used when required.

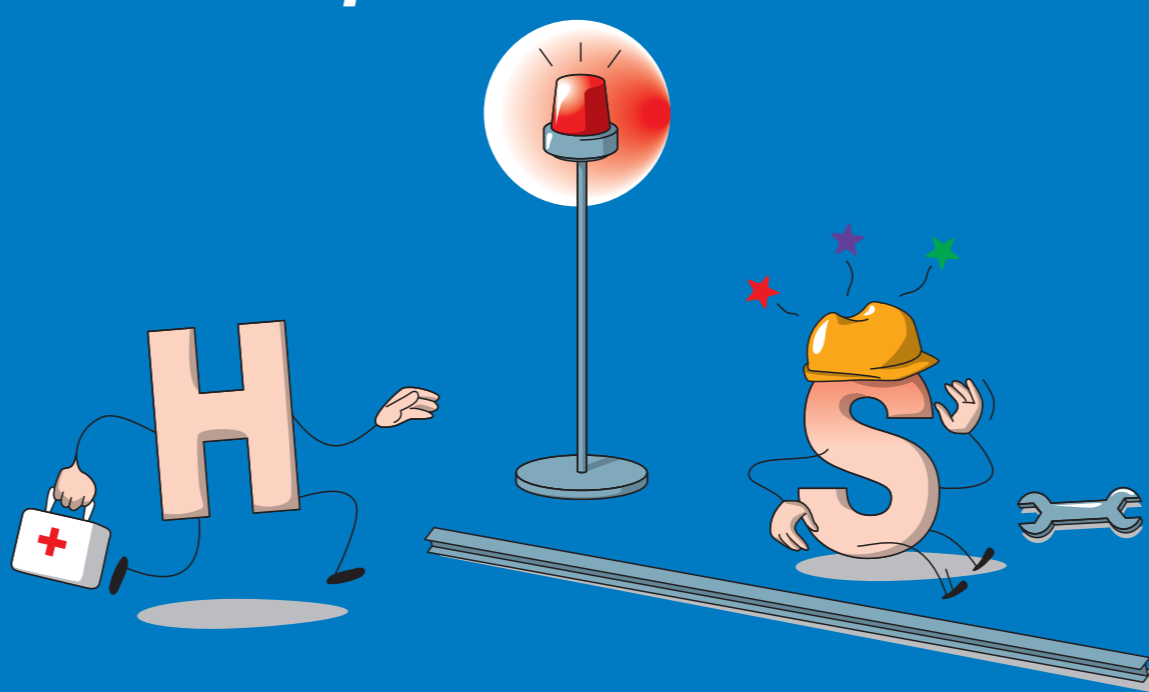

6 Any reckless behaviour that endangers yourself or others will not be tolerated.

7 No-one must enter any restricted workplace unless authorised.

8 All incidents that result in injury, ill health, environment or property damage must be reported as soon as possible.

9 Unauthorised interference with any equipment provided for Health, Safety, Fire or Environment purposes will not be tolerated.
