|   | <b>Technical Assessment Body:</b>   | N/A   |
|   | <b>Notified body/ies:</b>   | N/A   |

9 **Declared performance/s:** The characteristics in the table below apply to all products mentioned in 2 above.

| Essential characteristics | Requirement           | Performance    | Harmonized technical specification |
|---------------------------|-----------------------|----------------|------------------------------------|
| Compressive Strength      | > 10 MPa              | 56.5 MPa       | EN1504-3:2005                      |
| Adhesive bond             | None                  | M10 (> 10 MPa) | EN 1542:1999                       |
| Reaction to fire          | Not required*         | Class A1       | EN 998-2:2016 cl 5.4.8 *inorganic  |
| Dangerous substances      | See Safety Data sheet |                |                                    |
| Chloride ion content      | NPD                   |                |                                    |
| Skid resistance           | NPD                   |                |                                    |

### 10 Appropriate Technical Documentation and/or Specific Technical Documentation:

Simplified / Alternative Procedures not used. Unique product supplied in a number of different volumes under different product codes, e.g. 5200104281 & 5200569595

The performance of the product identified above is in conformity with the set of declared performance/s. This declaration of performance is issued, in accordance with Regulations (EU) No. 305/2011, under the sole responsibility of the manufacturer identified above.
